From Similia to Synergy

From Similia to Synergy guides the reader through the full spectrum of homœopathic knowledge. Dr Sankaran demonstrates integration with actual case studies. Case-taking discourses have been transcribed and parsed to allow the reader to understand Sankaran's thought processes. This has been an evolutionary process, described through his various publications spanning The Spirit of Homœopathy to The Synergy in Homœopathy. This is a book that will help you produce solid and definite successful results in practice.
