### **The Concise Oxford Spanish Dictionary: Spanish-English/English-Spanish** From Oxford University Press

Based on the "Oxford Spanish Dictionary" , this concise edition retains all the features of the parent volume. The result of over ten years' research, the dictionary has been compiled from a electronic database of current language, providing a fresh description of contemporary Spanish and English. Containing 170,000 words and phrases, and over 240,000 translations it has full coverage of Latin-American Spanish and American English. It offers thousands of example sentences selected to illustrate the full range of meanings and typical contexts and full and clear guidance on key constructions, complementation, and difficult points of grammar. A guide to personal and business correspondence, including job applications, business faxes, making reservations, and making complaints is also included as are full verb tables.
