**Revolución / Revolution (El Juego Infinito)** James Dashner

**Las inteligencias artificiales han empezado a tomar el control de cuerpos humanos... y solo Michael y sus amigos podran detenerlos**

Junto con sus amigos Sarah y Bryson, Michael completo el Camino para enfrentarse al peligroso cyber-terrorista Kaine y proteger a los usuarios de Red Virtual. Pero, en el ultimo momento, descubrio que habian sido enganados... y que Kaine, una inteligencia artificial, los habia utilizado para lanzar una guerra contra los humanos.

Kaine ha hallado la manera de habitar y controlar el cuerpo de las personas en el mundo real. Su plan es poblar la Tierra de mentes artificiales albergadas en cuerpos humanos: cualquiera de los millones de jugadores de Red Virtual esta en peligro de ser abducido...

La ofensiva ha empezado. Sera Michael capaz de detenerla?

### **ENGLISH DESCRIPTION**

The only place where you can get the first two chapters of *The Fever Code*, the latest in the blockbuster MAZE RUNNER series, is in the edge-of-your-seat sequel to *The Eye of Minds*, book two in the New York Times bestselling MORTALITY DOCTRINE series!

Michael thought he understood the VirtNet, but the truth he discovered is more terrifying than anyone at VirtNet Security could have anticipated.

The cyber terrorist Kaine isn't human. It's a Tagent, a computer program that has become sentient. And Michael just completed the first step in turning Kaine's master plan, the Mortality Doctrine, into a reality. The Mortality Doctrine will populate Earth entirely with human bodies harboring Tagent minds. The VNS would like to pretend the world is perfectly safe, but Michael and his friends know that the takeover has already begun. And if they don't stop Kaine soon, it will be game over for humanity.

From the author who brought you the #1 New York Times bestselling MAZE RUNNER series and two #1 movies--*The Maze Runner* and *The Scorch Trials*--comes an electrifying adventure that takes you into a world of hyperadvanced technology, cyber terrorists, and gaming beyond your wildest dreams . . . and your worst nightmares.

Praise for the Bestselling MORTALITY DOCTRINE Series:

"Dashner takes full advantage of the Matrix-esque potential for asking 'what is real.'" --io9.com

"Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner's hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author." --MTV.com

"A brilliant, visceral, gamified mash-up of *The Matrix* and *Inception*, guaranteed to thrill even the non-gaming crowd." --Christian Science Monitor
