Keep it chic in Paris with TASCHEN's city guide

A dependable companion for any discerning visitor to the city of lights and love, this updated edition of TASCHEN's Paris guide offers a selection of hotels, shops, restaurants, cafes, and bars.

Drawing on the city's evocative history as well as its contemporary culture, recommendations range from the ultra-hot Colette fashion concept store to Tom Ford's secret hideaway to Hemingway's favorite brasserie. Dine at a table with one of the best views in town, find a perfect fragrance at one of the city's chicest boutiques, and have your head rest on pillows at one of the cutest and cosiest Marais hotels.

With dictionary-style cutout tabs for easy navigation and a companion pocket-sized map. Über den Autor und weitere Mitwirkende
